

Diversité : Points positifs - Knowledge organiser

I can...	Red	Amber	Green
a. explain what a diverse society is (ethnicity / religion / culture / age / heritage / language / regional...)			
b. show an awareness of the mix of heritages and cultures there is in French society.			
c. give examples of how diversity is acknowledged and celebrated in France and francophone.			
d. list the positive benefits of multiculturalism/diversity for society.			
e. give my opinion on how I think diversity should be celebrated.			
f. explain what the official Canadian policy on multiculturalism is.			
g. explain why Canada was the first country to adopt an official multiculturalism policy (2 languages / historically popular with immigrants)			
h. analyse why an official policy of multiculturalism is necessary.			
i. evaluate the success of the Canadian (and other) multiculturalism policies.			
j. analyse the role laïcité plays in promoting diversity			
k. know some francophone events which have been organized to encourage multiculturalism (Mois de l'histoire des Noirs / du patrimoine asiatique)			
l. explain the responsibility individual citizens have in promoting diversity.			
m. explain what the principal of "mixité ethnique" is in French schools.			
n. explain what the role of education is in promoting diversity.			

Below are some examples of questions students could ask:

- *A votre avis, est-ce que la diversité est toujours positive ?*
- *Selon vous, est-ce que la France est une société diverse ?*
- *Pensez-vous que nous avons la même sorte de diversité en Grande Bretagne ?*
